Sir:

A Notice of Non-Compliant Amendment (hereinafter, "Notice") was issued by the Patent Office on September 23, 2011. The Notice indicates that the claims in the Amendment filed September 19, 2011 are numbered incorrectly. The September 19, 2011 Amendment added Claims 77-109. However, Claim 73 was the last pending claim. Attached are the corrected portions of the September 19, 2011 Amendment (i.e., the Listing of Claims section and the Remarks section) which address the issue raised in the Notice. Specifically, the claims are renumbered as Claims 74-106 and the Remarks section is edited to correspond to the corrected numbering of the claims.
